Simon Pulse. Paperback. Book Condition: New. Paperback. 336 pages. Dimensions: 8.4in. x 5.4in. x 1.0in. Im not usually a reckless person. What happened the summer of my junior year was not about recklessness. It was about the way a moment, a single moment, can change things and make you decide to try to be someone different. Ruby McQueen is a sixteen-year-old high school student with the name, she thinks, of a rodeo cowgirl porn star, or, maybe worse, a Texas beauty queen runner-up. Her mother, Ann, one of the town librarians, was reading too much Southern literature before Ruby was born, and Chip, Rubys father, who was already dreaming of Nashville stardom, thought it would make a great stage name someday. Soon after Chip Jr. was born, Chip left to try his luck in the music business and ended up at the Gold Nugget Amusement Park one state over. He returns occasionally for visits that turn Anns heart upside down, and Rubys stomach inside out. It is summer in the northwest town of Nine Mile Falls, a place where brown bears sometimes show up in the shopping mall and people in hang gliders soar down the mountains and sometimes get stuck dangling from the trees. Ruby, ordinarily dubbed The Quiet Girl, finds herself hanging out with gorgeous, rich, thrill-seeking Travis Becker. With Travis, Ruby can be someone shes never been before: Fearless. Powerful. But Ruby is in over her head, and finds she is risking more and more when shes with him. In an effort to keep Ruby occupied and mend her own broken heart, Ann drags Ruby to the weekly book club she runs for seniors. At first Ruby cant imagine a more boring way to spend an afternoon, but she is soon charmed by the Casserole Queens (named, quite...
