Bookhaven Press,U.S. Paperback. Book Condition: new. BRAND NEW, Health Care Job Explosion: High Growth Health Care Careers and Job Locator (4th Revised edition), Dennis V. Damp, This book offers a distinct advantage over other books of this type. It is two books in one -- a comprehensive Career Guide plus a dynamic Job Finder. First, it presents comprehensive health care occupational descriptions and then provides resources to locate job announcements, job hotlines, job fairs, placement services, directories, associations, and job related books. This dual format permits comparisons between specialties and offers insight into qualifications, cross training potential, and pay. You can easily locate occupations with similar skills and required training. Opportunities abound for all levels of education from a high school diploma to Doctorate Degrees. Each occupational description lists required education and/or on-the-job training.
