Reading the Ten Commandments Anew: Towards a Land of Freedom (Hardback)

By fraere. de Taiz e John

Alba House,U.S., United States, 2004. Hardback. Book Condition: New. 204 x 140 mm. Language: English . Brand New Book. The Ten Commandments transport most of us back to the religion of our childhood, to catechism class or Sunday school. They easily evoke blind obedience, sin and guilt, a moralistic or legalistic mindset; their negative approach seems to be at the opposite extreme from the positive religion of love and responsibility which we identify with Jesus Christ. This book proposes to undertake a re-reading of this well-known biblical text to show how the Ten Commandments represent simple boundaries that protect our freedom to act and grow as children of a loving God. They are road signs indicating the way to the One who is the Way to Life in all its fullness.
