Brand New Book ***** Print on Demand *****.The Lure of Old London: Illustrated by Sophie Cole. People who are kind enough to read my stories sometimes tell me they like them on account of their London atmosphere. This is reassuring, because London is, to me, what King Charles head was to Mr. Dick, and when my publisher suggested that I should write this volume I mounted my hobby-horse with glee. The objects of the journeys recorded were chosen haphazard. With a myriad places clamouring for notice, and each place brimful of interest, one takes the first that comes, reflecting that what one doesn't see to-day can be seen to-morrow, regretful only that, no matter how many to-morrows may remain, there will not be enough to exhaust the charms of London. London has moods for each hour and surprises round every corner. It may be the enchantress, or the stony-hearted step-mother, but one part it can never play-that of the bore.
