The Ariadne Objective: The Underground War to Rescue Crete from the Nazis

By Davis, Wes.

Crown. 1 Cloth(s), 2013. hard. Book Condition: New. In the bleakest years of World War II, when it appeared that nothing could slow the German army, Hitler set his sights on the Mediterranean island of Crete as a staging ground for domination of the Middle East; the Nazi occupation force, however, had not counted on an eccentric band of British intelligence officers who would wage a secret war of audacious sabotage operations. Wes Davis grippingly chronicles these amateur soldiers—scholars, archaeologists, writers—who found themselves serving as spies in Crete because, as one of them put it, they had made "the obsolete choice of Greek at school." Teamed with Cretan partisans, Patrick Leigh Fermor, John Pendlebury, Xan Fielding, Sandy Rendel, and several other "gentleman spies" disrupted Nazi maneuvers and launched a highly risky plot to abduct the island's German commander. "A ripping yarn, and Wes Davis is the perfect person to spin it. Ariadne will appeal to fans of Ben Macintyre's books like *Double Cross* and *Operation Mincemeat* and, in fact, to anyone who enjoys a good story well told. This book kept me up well past my bedtime: I couldn't go to sleep until I finished it." Ben Yagoda "The Nazi invasion of..."
