Reviews

Complete information! Its such a great study. It is probably the most amazing book i have got study. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Mr. Roger Luetngen III)

UWI CAVE HILL: 40 YEARS, A CELEBRATION (HARDBACK)

University of the West Indies Press, Jamaica, 2004. Hardback. Book Condition: New. 319 x 280 mm. Language: English . Brand New Book. UWI Cave Hill: 40 Years - A Celebration is the exciting success story of the youngest campus of the University of the West Indies. From the humblest of beginnings in the abandoned hall of a Caribbean trade fair, on a patch of virgin, reclaimed land at the then new Deep Water Harbour site at Bridgetown, Barbados, it moved to a dramatic escarpment at The Mount, just two miles north of the city - a site chosen from the air by the prime minister the late Errol Barrow himself, flying his own small plane! Today, this once spacious site is full and expanding still, overflowing as it were, down the hill. This book captures much of the story. The photographic essay of aerial shots by Wille Alleyne, doyen of photographers in Barbados, provides rich and revealing panoramas of the growth of the campus, with the recently upgraded and dedicated 3Ws Oval as its centrepiece. The early chapters contain outstanding archival photos of place and people who transformed the vision into academic success. We see the founding fathers and the first students, and the young faculty such as Richard Allsopp, Sir Keith Hunte and Woodville Marshall. They led the way and can now enjoy the satisfaction of a job well done. Perhaps the richest pages are those of people and events. Cave Hill has been a ferment of ideas, of education, writing, research and publishing; of political protest and intellectual discourse; and of student energies - in drama, dance, debate, dominoes and sports of all kinds. All are beautifully captured here. And the final chapter, with new plans, new projects and new buildings, points the way to even more major...
