GRIN Verlag Apr 2016, 2016. Taschenbuch. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Research paper from the year 2014 in the subject Business economics - Business Management, Corporate Governance, grade: 97.00, La Trobe University Melbourne, language: English, abstract: This report analyses the external and internal business environments that could be the cause of the ethical lapses; giving steps towards mitigating the lapse. Ethical issues and compliance are a challenge facing Bank of America. Ethical issues affect all the stakeholders in a given business. There has been a perception that the financial institutions across the world tend to be more unethical than any other forms of business. This perception could be justified by the issues facing Bank of America. Complaints of constant lapses in the ethical culture of the bank are rife. The most recent ethical scandal was where the bank is accused to be only interested in short-term returns and not paying attention to the products that are suitable for customers. According to Mujtab (2010:23), the implementation of the Payment Protection Insurance by the Bank of America is an unacceptable measure in respect to the Finance Act (2001). This insurance...
