LAP Lambert Academic Publishing Mai 2012, 2012. Taschenbuch. Book Condition: Neu. 220x150x10 mm. Neuware - This book has been written to help the students and fresher candidates looking for a job. Although anyone can benefit from this book, yet the focus is primarily on them. Also, it has been written keeping in mind Indian students who are on the verge of completing their professional programs or regular degree courses and wish to enter the corporate world. Quite often, students dream about their first job and the educational institutions help them build upon them. However, there are very few educational institutions who do anything about developing employability skills in the students. Eventually, when the student starts appearing for campus recruitment drives, there is little success and a lot of frustration. Every day during the campus recruitments drives, there is news of unrest among the students of one college or the other. This is because the selection process of organisations has now actually got converted into elimination process. Every recruiter receives applications in huge quantity and faces the dilemma of who to recruit. To ease out the process, they designed exams which are conducted either through a written test or online. This helps in eliminating large quantities of 164 pp. Englisch.
