

PM Crash Course for IT Professionals: Real-world Project Management Tools and Techniques for IT Initiatives (Paperback)

Filesize: 9.07 MB

Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

(Kaya Rippin)

Pearson Education (US), United States, 2009. Paperback. Book Condition: New. 229 x 188 mm. Language: English . Brand New Book. Real-world project management tools and techniques you can start using today! IT professionals are often faced with extremely challenging project deployments, as well as initiatives that are mission-critical to their organizations. For IT project managers, a strong understanding of the discipline of project management can be invaluable-both to success with individual projects and to their overall careers. However, most books and training materials on project management pay little or no attention to the unique challenges IT project managers face. PM Crash Course(TM) for IT Professionals is full of project management tools that you can apply immediately to your IT projects-to deliver them on time, on budget, and with fewer headaches. Authored by world-renowned project management trainer Rita Mulcahy, this book will help you get your IT projects back on track using proven, real-world project management tools and techniques. This revolutionary Course in a Book(R) covers the basics of project management, including planning, scheduling, budgeting, and more. It also moves beyond the basics to cover a number of real-world project management tools and techniques for IT initiatives. The authors provide indispensable practical checklists, templates, and exercises to reinforce your learning of these concepts. The book includes dozens of tricks, insights, and contributions from real project managers sharing what has made a difference for them when managing real-world projects. If you are looking for easy-to-use tools and processes to make an immediate impact on your current IT project, PM Crash Course(TM) for IT Professionals is the resource for you. Rita Mulcahy, PMP, founder and CEO of RMC Project Management, is the most popular project management author in the world. Since 1991, hundreds of thousands of project managers have utilized her 30+ best-selling...
