Innercircle Publishing, United States, 2005. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is dedicated to the Angelic Realm and spirit or God helping us all to enter a bright and beautiful healing world! I thank everyone I have ever met, good or bad, for my knowledge comes from All. FROM LIVING! A special thanks to those who saw me as a sane person not one who had totally lost it when my journey truly began. Their understanding and patience helped to heal me, giving me concrete evidence that there is a much larger force that surrounds us! I thank you! Being the intuitive person I am, I always knew that I was going to write a book, one entirely different from this one. I was going tell everything on everyone I knew, more like a soap opera type thing! I traveled a lot back then and had lots of sex and smut on everybody I was around. However, to my surprise, God picked me up out of my box and shook me up a little, dropped me to the ground and I started writing alright, about something I knew absolutely nothing about! I have been in four tornado s, struck by lightning, and had cervical cancer at 25 years of age. How s that for being a cat with nine lives? I have seen God and stood before His judgment and love and He has sent me back to do this work through Him. To live life to the fullest - to write this book for others. Read samples.
