Brand New Book ***** Print on Demand *****.The system of mindgates, also known as the chakras is the ultimate key to mind mastery. Understanding and managing this nexus gives you some of the most important advantages - the sovereignty of your thoughts, the ability to consciously shape your life, and an access to the incredible potential within. The majority of people allow that potential to remain dormant, which puts them at a disadvantage when confronted with the inevitable obstacles and tests in life. Having the awareness and the control of your mindgates means that you cannot be manipulated, brainwashed or influenced without your permission. You become aware and immune to any kind of mental induction, whether direct or indirect, brought about by other people, television or mass media. It is in your power to set yourself free from the prison of your own mind and transform that extraordinary tool into your weapon of choice.
