## Daughters of Decadence: Women Writers of the Fin-de-siecle

By Elaine Showalter

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, Daughters of Decadence: Women Writers of the Fin-de-siecle, Elaine Showalter, At the turn of the century, short stories by- and often about- 'New Women' flooded the pages of English and American magazines like The Yellow Book, The Savoy, Atlantic Monthly and Harpers. This daring new fiction, often innovative in form, and courageous in its candid literary aspiration, shocked Victorian critics who parodied the experimental stories in Punch as symptoms of fin de siecle decadence, or denounced the authors as 'literary degenerates' or 'erotomaniacs.' This collection brings together twenty of the most original and important stories, including such little-known writers as Victoria Cross, George Egerton, Vernon Lee, Constance Fenimore Wollson and Charlotte Mew. Ranging from the lyrical to the Gothic, and frequently dealing with the conflicts of women artists, the short fiction of the fin de siecle is the missing link between the Golden Age of Victorianism women writers and the new era of feminist modernism.

### Reviews

*This ebook can be worthy of a go through, and a lot better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly easy way which is just soon after i finished reading this book where basically modified me, affect the way i really believe.*

-- **Seth Fritsch**

*A very wonderful book with lucid and perfect answers. It is probably the most incredible book i have study. Its been designed in an exceptionally simple way and is particularly just after i finished reading through this publication by which in fact transformed me, alter the way in my opinion.*
