Pastoring Multiple Parishes An Emerging Model of Pastoral Leadership Emerging Models of Pastoral Leadership

By Mark Mogilka

Loyola Press. Paperback. Book Condition: New. Paperback. 169 pages. Dimensions: 8.4in. x 5.4in. x 0.6in. The most common solution to the shortage of priests in the United States is multiple-parish pastoring, that is, having one priest serve the needs of two, three, or more different parishes at one time. Because it is so widely implemented, there are plenty of inspiring success stories to be shared and helpful examples of pitfalls to be avoided. In Multiple Parish Pastoring, Kate Wiskus and Mark Mogilka share with readers what works and what doesn't when parishes must turn to the method of multiple-parish pastoring. Above all, the authors help Catholics see this growing trend neither as a negative consequence of past mistakes nor as a present situation to be dreaded, but rather as a wonderful opportunity for future stability and growth of the Faith. Authors: Mark Mogilka, Kate Wiskus Publisher: Loyola Press Format: Paperback, 128 pages ISBN: 9780829426496 This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.

-- Prof. Llewellyn Thiel

Simply no words and phrases to clarify. It really is full of knowledge and wisdom You wont feel monotony at at any moment of the time (that's what catalogs are for relating to when you question me).

-- Paolo Spinka
