Do I give up hobbies and make the conscious decision to hole up in a room alone for hours every day for perhaps three or more years? Did you know that research shows the average time to complete a doctoral degree is more than seven years, and most either quit or finish all but dissertation (ABD)? In this book, you will read the stories of people who made this commitment. The stories are the authors' personal reflections about how they achieved their degree or are surviving the grind of a program. You will read about trials and tribulations and also success.
