LOVE BOOK: THE TOP 50 MOST TRUSTED EXPERTS REVEAL THEIR SECRETS FOR RELATIONSHIP SUCCESS

Excellent Publications. Paperback. Book Condition: New. Paperback. 388 pages. Dimensions: 9.0in. x 6.0in. x 1.2in. There is something in this book for everyone. Each and every one of us has some kind of relationship in our life. You may not be married or have a partner right now, but almost everyone has experienced some kind of relationship or has the desire to be in love. And that's what this book is all about - making those relationships the best they possibly can be. You may be thinking, But I'm happily married and never argue with my partner! That may be the case, but somewhere along the line you will encounter experiences that may put pressure or strain on your relationship. Equipping yourself in advance with the tools required to deal with that stressful time can make the difference between feeling isolated, stressed, and alone or that your partner doesn't understand what you're going through, and maintaining a loving relationship where you work together. You may also find tools that will allow you to expand what you thought possible in a relationship. You may be in a difficult marriage - at breaking point, and cannot decide whether to call it quits and file for divorce, or stick with it. Perhaps you've just found out that your partner has been unfaithful, but for the sake of the children, you're considering staying together, but have no idea how to forgive them and let go of the pain. Maybe you may have been together for over 20 years and have started to feel like your relationship is merely a routine with no passion or vitality. Do you need help to break out of bad habits and create once again a beautiful and harmonious relationship that fills you with joy? Perhaps you may find yourself in...
