Driving Excellence: How the Aggregate System Turned Microchip Technology from a Failing Company to a Market Leader (Hardback)

By Steve Sanghi, Mike J. Jones

John Wiley and Sons Ltd, United States, 2006. Hardback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book. Praise for DRIVING EXCELLENCE A well-organized compendium of immense common sense. [The authors] values-based, walk-the-talk approach recognizes the fast-changing environment we live in. It shows the importance of aggregating and integrating knowledge and experience on a continuing basis. Finally, it demonstrates the significance of creating a culture that reinforces those values and takes pride in thriving on the complexity. -John E. Abele, founder and Director, Boston Scientific Corporation The Aggregate System is a powerful blend of strategic formula, exceptional culture, and human systems combined into a complete self-perpetuating system to produce exceptional performance. Anyone interested in improving the performance of his or her company should read this book. -Jerry Colangelo, CEO and Chairman, Phoenix Suns This is not another silver bullet piece of academic advice on how to do a quick fix to some imaginary business. Driving Excellence is a serious and detailed insight into how a real CEO, Steve Sanghi, has transformed a real company, Microchip, into a world-class enterprise. Anyone interested in understanding the realities of implementing and sustaining an enterprise-wide constant improvement plan should...
