Brand New Book ***** Print on Demand *****.The United States and European Union (EU) share a huge and mutually beneficial economic partnership. Not only is the U.S.-EU trade and investment relationship the largest in the world, it is arguably the most important. Agreement between the two economic superpowers has been critical to making the world trading system more open and efficient. Given a huge level of commercial interactions, trade tensions and disputes are not unexpected. In the past, U.S.-EU trade relations have witnessed periodic episodes of rising trade tensions and even threats of a trade war, only to be followed by successful efforts at dispute settlement. This ebb and flow of trade tensions has occurred again last year and this year with high-profile disputes involving tax benefits for U.S. exporters, GMO-products, the Byrd Amendment, and aircraft production subsidies. Resolution of U.S.-EU trade disputes has become increasingly difficult in recent years. Part of the problem may be due to the fact that the U.S. and the EU are of roughly equal economic strength and neither side has the ability to impose concessions on the other. Another...
