Rebellion. Paperback. Book Condition: new. BRAND NEW, The Guns of Ivrea: Valdur Book One, Clifford Beal, Acquel Galenus, former thief and now monk of no particular skill, indifferent scribe and even worse chorister, uncovers a terrible secret under the Great Temple at Livorna that could shiver the one faith to its core. A secret that could get him killed. A secret that could enable an older, more sinister form of worship to be reborn. Pirate princeling Nicolo Danamis, mercenary to the King and captain of the largest fleet in the island kingdom of Valdur, has made one deal too many, and enemies are now closing in to destroy him. And Citala, fair-haired and grey-skinned, the daughter of the chieftain of the Merfolk who inhabit the waters of Valdur, finds herself implacably drawn to the affairs of men. She puts events in motion that will end her people's years of isolation but that could imperil their very existence. All their fates will intertwine as they journey through duchies and free cities riven by political intrigue, religious fervour, and ancient hatreds. Alliances are being forged anew and after decades of wary peace, war is on the wind once again.
