Recursive Mind

By Michael C. Corballis

Princeton Univers. Press Jun 2011, 2011. Buch. Book Condition: Neu. 244x167x29 mm. Neuware - 'Corballis offers a novel synthesis of language, mental time travel, and theory of mind within an evolutionary perspective. The Recursive Mind is very well written for a general readership, but with lots of targeted references for experts.'--Michael A. Arbib, coauthor of 'The Construction of Reality' 'This is a wonderful book by an expert writer. Corballis tracks the importance of recursion in the context of language, theory of mind, and mental time travel, and concludes that its emergence explains much about how we became human. He proposes a novel answer to an enduring mystery. This book is a significant achievement.'--Thomas Suddendorf, University of Queensland 291 pp. Englisch.
